## Our Wines

Chateau Boyd Cantenac is a Grand Cru Margaux and Lucien Guillemet is one of the world's best winemakers; mixing tradition, modern winemaking and passion to develop his families' wines. All of which are just a stone's throw from the £1000 a bottle, Premier Grand Cru Chateau Margaux. The cream of the crop are Chateau Boyd Cantenac and Chateau Pouget, both Grand Cru classification.

The Chateau was founded in 1754 by James (Jacques) Boyd, born in Kilmarnock, Scotland to the Earl of Kilmarnock. For true value for money try the second wines Jacques Boyd, La Croix, or Clos Maucaillou.

We all hope you enjoy the wines we love so much. Charles Boyd
